**PROJECT No. 1****Generate your own email & mailing lists.**

Use our online databases to build and export lists for your campaigns. You can customize the list any way you want, selecting from hundreds of categories of criteria pertaining to job function, geographic location, organization name, organization size, area of interest, educational background, and much, much more. Preview your list, include or exclude records based on availability of phone/fax/email, then hit export. No hassle, no waiting.

**PROJECT No. 2****Use our data to start networking.**

Are you looking for individuals who:

- Went to a particular college or university?
- Sit on the board of a certain type of organization?
- Handle a specific area of legislative activity?
- Live in select zip codes?
- Work for companies and law firms of a certain size?
- Work at embassies, consulates, and permanent missions?

Leadership Directories data can help you reach a precise target, and you can build lists that cross over from public to private contacts and back again with no difficulty.

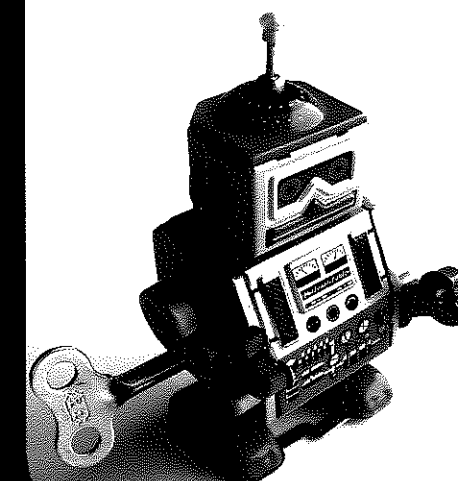

**PROJECT No. 3****Send your own press releases.**

Our news media data gives you emails and fax numbers, beat information, preferred method of contact, and a link that takes you to recent articles by the author. 40,000 media listings in total, with an average of 200 database updates every day. Use The Leadership Library® or the News Media Leadership® Directory Online Premium to create your own contacts list in minutes, or export records for use in media/marketing campaigns.

**PROJECT No. 4****Build your own coalitions.**

Draw from tens of thousands of nonprofit, foundation, association, and government affairs listings to create partnerships. You can also do your own outreach to Capitol Hill with access to our Congressional data. Listings include not just contact, educational, and biographical data, but legislative responsibility and committee/subcommittee membership as well. Over 10,000 legislative contacts, updated every day, are just a click away.
