Number of Judgeships: 7

Created in 1988, this Court consisting of a chief judge and six associate judges has exclusive jurisdiction to review final decisions of the Board of Veterans Appeals, an administrative arm of the Department of Veterans Affairs. Cases involve reviewing the Board's determination of entitlement or disability benefits. The rulings can be appealed to the United States Court of Appeals for the Federal Circuit. The Court of Appeals for Veterans Claims is independent and does not come under the purview of the Judicial Conference of the United States or the Administrative Office of the United States Courts. The President appoints a chief judge and between two and six judges. The appointments are for 15-year terms and subject to Senate confirmation.
